

# A DEDICATION TO: Mr. W. D. Bell, Jr.

The Gunnison School System, under the superior leadership of Mr. Bell, has received recognition in many areas. His untiring efforts lasted through thirty-two years of high school service as superintendent and for five more--following our recent consolidation--as elementary principal.

After due consideration of his loyalty and devotion to the Gunnison school and community, we hereby dedicate the 1963 HI-LITE to Mr. Bell.
