## Dedication

**Mr. Joe Barnes**

We, the Annual Staff, take great pride and much joy in dedicating our 1964 Boll Weevil to a man we all love and admire. Mr. Barnes is greatly respected by both students and faculty of RHS because of the high ideals which govern his everyday life and his unselfish manner of giving freely of his time and talent.

He combines to a rare degree the qualities which go to make up a truly fine teacher. Mr. Barnes leaves an impression of dignity, yet naturalness. No student has gone to him and come away without a feeling of being welcome.

Because Mr. Barnes has made his life a credit to our school and his profession, we feel we could not dedicate our annual to a more deserving person.

These eight vivacious girls were the pride and joy of RHS football team and other supporters, as well. The cheerleaders were under the leadership of head-cheerleader, Lynn Fletcher. Rosedale was very proud of its cheerleaders on their return from Cheerleader Camp at Ole Miss. They won many honors. This year they came home with a trophy. Rosedale cheerleaders have been very loyal supporters by arranging and having great pep rallies at the school. This helped the boys' spirit more than anything.

In the simplest definition, the Beta Club is a non-secret, leadership-service organization for American high-school students. Its main objectives could be summed up by saying that the Beta Club was founded to stimulate effort, reward achievement, and encourage its members to continue their education after high school. In practice it does this by promoting the ideals of honesty, service, and leadership among high school students through a program of service projects, a monthly magazine, and annual State Conventions.

Vicki Tullos informs Beta members about the annual Convention in Jackson.

The main money-making project of Beta Club is selling ice cream to the student body.

The Glee Club entertained both parents and student body by presenting their annual Christmas Program. This program included a variety of songs, ranging from the familiar Christmas carols to jolly yuletide songs. With the help of Mrs. Caradine, our Glee Club has worked many hours to produce some fine entertainment. Our knowledge of music has been broadened by a study of music composition, theory, and note writing.

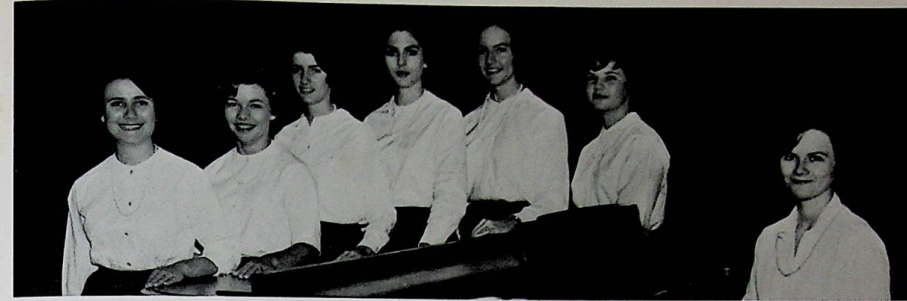

The Glee Club entertains at the Christmas program.

Lynn Fletcher, "Cookie" Newman, Clare Jackson, Sally Scott, Sheley Darby, Mary Cuming, (seated) Cheri Creasy - pianist

The girls' sextet and the boys' quartet, with the help of Mrs. Caradine, have worked many hours this year. As a result of their accomplishments, both the sextet and quartet sang at the annual Christmas program. The sextet entertained the audience with "Jingle Bells," sung in five different languages, and the quartet ended the program with "We Wish You a Merry Christmas." They also sang at the Presbyterian Church for a Sunday morning service. The sextet entertained at various assemblies and sang for the Bolivar County Teachers' Meeting in Rosedale. The quartet and sextet plan to enter the district competition at the Choral Festival in Cleveland.

They're dreaming of "FAR-AWAY PLACES."

## Most Beautiful

SUZANNE McCANDLESS, daughter of Mr. and Mrs. Charles McCandless of Rosedale, justly deserves the title of most beautiful girl in Rosedale High School. Although Suzanne is only a Freshman, she possesses charm, poise, and personality which enhances her beauty. Suzanne is well-liked, not only by her classmates, but by the teachers of RHS as well. She exhibits a warm friendliness and an eager willingness to help others - traits which make her an outstanding favorite with everyone.

Suzanne McCandless

## Beauty

FAY TULLOS, daughter of Mr. and Mrs. W. T. Tullus of Pace, has for four years enhanced the halls of RHS with her beauty and charm. She was a welcomed addition to the high school with her contagious school spirit, her capable leadership ability, and her unusual way of adding spice to each new day. As a result of being friendly, kind and considerate to everyone she meets, she has captured the hearts of everyone at RHS.

Fay Tullus

## Beauty

COOKIE NEWMAN, daughter of Mr. and Mrs. James V. Newman of Pace, deserves the honor of being selected as one of the most beautiful girls at RHS. Cookie possesses poise, charm, warmth, and a vivacious personality. She was rewarded for all her friendliness by being selected as "Most Popular" in this year's Who's Who contest. Not only is Cookie beautiful, but she is a very conscientious and talented student. Throughout her four years in high school, Cookie has earned the respect and admiration of both students and teachers at RHS.

Cookie Newman

## Beauty

**Karen LaPresto**

KAREN LAPRESTO, granddaughter of Mr. and Mrs. A. LaPresto of Rosedale, was chosen the most beautiful girl in the Junior class. "Personality plus" trade-marked her into being selected "Girl with the Best Personality" and "Friendliest Girl" in the Who's Who contest. Encountering such a radiant smile and friendly gestures, one is easily beguiled into exhibiting the same characteristics.

## Beauty

**Dabney Parker**

DABNEY PARKER, daughter of Dr. and Mrs. J. W. Parker of Rosedale, is a RHS Beauty in the finest sense of the word. Vivacity, charm, poise, dependability, honesty, honor, and joie de vivre--these and many more appropriate accolades sum up a truly lovely young lady, an addition to our school.

## Senior Hi-Lites

Graduates of 1964

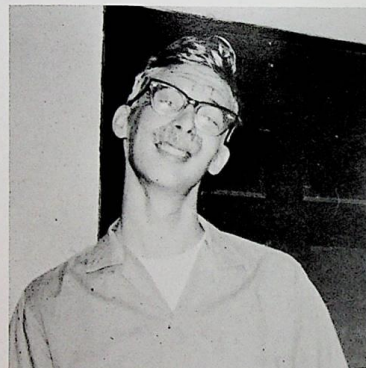

All the Juniors and Seniors enjoyed the music furnished by the "Road-Runners."

We wish it could have been the Kimberly diamond.

And they lived happily ever after . . .

But, "Miss Ollie," this mustache hurts!

Decorating for Jr. and Sr. banquet was found to involve work!

Mrs. Middleton applies finishing touches at Jr. and Sr. banquet.

Those expressions indicate a variety of wishes.

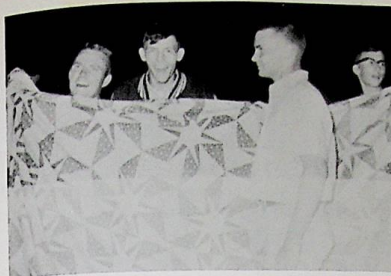

"She thinks it was me? Oh, no. I didn't do it."

"Between the Bookends" - Class Night.

"Memories are made of this"

What's the Matter? Couldn't you find a tree?!

Seniors Parties - "Moments to Remember."

"Whoops! Three senior cup cakes are missing!"

"Miss Ollie" took care of last minute difficulties.

Mr. Patterson, Baccalaureate speaker, addressed seniors.

Ah! That last great walk at RHS.
