"MISS OLLIE, WE LOVE 'YA!"

MRS. I. K. HARRIS

Certainly, you are one of a kind. Your charming ways have made you dear to us all. Such understanding and patience are hard to find in one person, but as you've acted as our Senior sponsor, we have been made aware of these valuable qualities you possess.

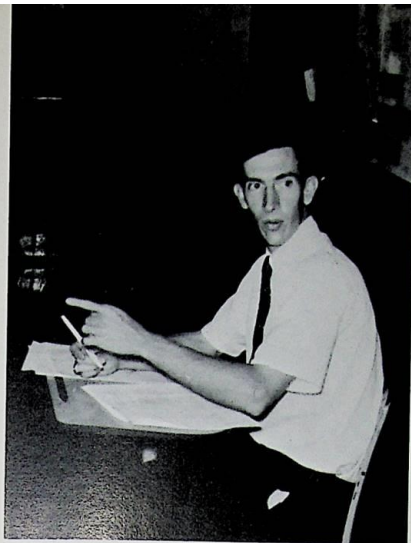

Both faculty and students agree that you are a tremendous credit to your profession and an inspiration to all with whom you come in contact.

Miss Ollie, you have become a standard part of R.H.S. There will never be another with such efficiency and wit to keep things rolling along smoothly as you have done.

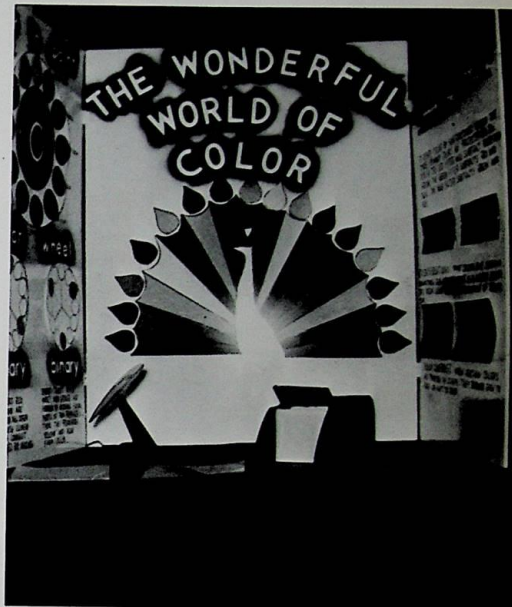

You're truly a fine person, a superior teacher, and a warm, sincere friend to all of us.

Yes, Miss Ollie, we love ya', and to you we proudly dedicate this, the 1966 BOLL WEEVIL.
