

HILLARY HINTON
Deceased April 3, 1938

A STUDENT'S TRIBUTE

Day has closed on another eventful, happy, worthily spent life, to find the possessor entirely qualified to receive his reward.

Although the kindly person of Uncle Hillary is no longer with us, his majestic spirit hovers over our Alma Mater, which was the scene of his activities for twenty years. His aim was not to gain a life of ease and luxury on earth, but to lay up for himself treasures in Heaven and to guide others to do the same. His life was patterned after the life of his Master -- a life of service.
