☞ The Hernando Free Press is welcome to the very high opinion which he has of his own very unusual superiority of intellect. But we trust our brother will not insist that we believe "that same".—If our answer to his strictures! (very good!) upon Reuben Davis' speech, were so "very weak and pointless," why does the "galded jade wince?" He intends to write a Political Byography of Reuben Davis!! in time for the coming election, which will of course be written in his usual *strong and pointed* style. We anxiously await the publication of this very interesting work, intended in part for our own instruction!!!

JUSTICE.

In the last Marshall County Republican, a correspondent who signs himself "Justice" makes a low abusive and scurrilous attack upon us because of an article which appeared in our paper 22d June, expressing our want of faith in the talent and qualifications of Mr. Basil C. Harley, to discharge the duties of Bank Commissioner, to which office he had been appointed by Gov. M'Nutt. With Mr. "Justice," we have nothing to do, unless he speaks by authority of Mr. Harley himself, in which case, we shall address ourselves to the Principal, without regard to the cats'-paw or tool, which may be employed to do the dirty work.—In the article alluded to, we had no desire or intention to cast any aspersion upon the integrity, honesty and moral character of Mr. H. In his station of a public servant, we had the right, it was our duty to express our opinions of his ability, and talent to discharge the duties of that office.—If upon this Mr. H. or his friends wish to join issue before the community, we
