Hernando Banking Company.—The
 Hernando North Mississippi says—"A
 rumor is afloat that the present directors in-
 tend to resign, throw open the affairs of the
 Bank to a committee for inspection, throw
 open the books for subscription for stock to
 the public, and receive in payment of stock
 Hernando money and thus have the Bank in
 the hands of a new Directory."

ALABAMA.—The whig meeting in Mo-
 bile on the 22d inst. was a brilliant affair.
 Gov. Gayle, Mr Langdon and Maj. Mayrant
 delivered addresses on the occasion. There
 is to be a state convention at Tuscaloosa in
 June. The whigs of the state seem to be
 animated with a probable determination to
 do or die at the Presidential election.
