From the Western World.

Science, Fine Arts, Mechanics, Agriculture, Manufactures, Foreign News, New Publications, Morality, Medicine, The Silk Culture, Temperance, Family circle, Self-Educated Men, List of insolvent banks, Letters from Europe, The Classics, Health, Commerce, Literature, Domestic intelligence, Education, Amusements, Facetia, Humorous Articles, The Drama, City Matters, Amusing Miscellany, The Markets, The Musical World, Correct Prices Current, Discount and Exchange, History, Philosophy,

And all other matters discussed in a universal Family Journal—furnishing altogether as vast, and, we believe, as interesting a variety as can be found in any other Journal issued in the World;

Embracing subjects for

Farmers, Tradesmen, Merchants, Teachers, Mechanics, Artisans, Men of Leisure, Students,

And every class of our Country.

The Courier may always be depended upon as nothing important is permitted to escape a notice in its columns.

Our arrangements enable us to draw from the whole range of current literature of Europe, and our correspondents at home embrace many of the best writers of the country.

This approved family paper is strictly neutral in Politics and Religion, and the uncompromising opponent of all Quackery.

In the Courier is inserted the music of the most popular Airs, Ballads and Songs, as soon as they are imported; so that country readers may have the most popular music for the voice, the guitar or other instruments, as soon as published, which if paid for separately would cost more than the price of subscription. This perfected arrangement is to be found in no other Journal of the kind.

The price of the Courier is only \$2.

When individuals wish to subscribe to the Courier, a sure way is to enclose the money in a letter, and direct it to us. The Postmasters will probably politely remit, for we wish them in all cases, if it meet their pleasure, to act as our agents.

OUR TERMS.

Clubs of ten will be furnished with ten papers for one year, provided the money be sent us free of postage and discount, for \$15.

Ten Dollars will procure the sixth copy gratis.

Five Dollars at one time will be received for three years.

Our friends, the Postmasters, will please oblige by remitting arrearages and new subscriptions.

Any of our country brethren who insert our advertisement, will receive the Courier regular.

FURNITURE!!!

THE subscriber keeps constantly on hand a good assortment of Furniture, such as Sideboards, Bureaus, secretary's, wardrobes, China Presses, breakfast tables, and many other articles that persons can see by calling.

As he is in constant operation, persons wanting furniture will lay in their bills and they will be attended to without delay.— Having spent some time in Baltimore last Summer, endeavoring to become more acquainted with the Fashions and the art of polishing, now flatters himself that he can give general satisfaction. Shop on the east side of the cross street, in the rear of the Union House.
