The above results are as follows: Harrison gain on the vote of 1836, 9,557. He then defeated by 4,364. Hence he has overcome that, and has 5,193 to go up or the remaining counties.—They are a number, and in 1836, gave 8,220 majority Harrison's majority now is 13,706. An endorsement by the editor states Harrison's net gain in these counties over the vote given in the state elections on the 1st ult. at 7,188.

In the same paper we have returns from 9 counties in the Old Dominion, which we ant-

### VIRGINIA ELECTION.

We prefer to compare the Virginia returns with those of the Presidential election of 1836, at no election since have all the counties been contested. In 1836, Van Buren's official majority in Virginia was 6,832. Hence Gen. Harrison must now overcome in order to obtain the electoral votes of the State. We shall give, as heretofore, the majorities, because easiest understood.

**RESIGNATION.**  
 He resigned his seat in the Legislature from the county—deeming the resignation a sufficient instruction. It is said the others will follow suit in a few days.—The Vanocrats hold a meeting on this day (Saturday) to receive the report of a committee appointed to inquire into the propriety of all resigning, in other words, to put off the day of resignation until it is known how the state has cast her vote in the Presidential Election.

HOLLY SPRINGS, Nov. 9 1840.  
 To his Excellency, A. G. McNutt Governor of the State of Mississippi.

DEAR SIR.—I herewith tender to you my resignation as a member of the Legislature of this State, from the County of Marshall, to take effect from the date hereof.

You will please accept the same, and issue writs of election to fill the vacancy.

Respectfully

Yours &c.  
 THOMAS MULL.

### "STILL VAULTING"

The Editor of the Southern Journal states that "Duncan is re-elected to Congress from the district in which Gen. Harrison lives, says that Fairfield is elected Governor of Maine.—and that from 30 to 35 persons who voted at the late election in Lawrence County lives in the adjoining Counties.—The Editor does not read the papers, or he has the effrontery of the devil.—The fact is Duncan has been defeated, so has Fairfield, and the assertion that any person from an adjoining County voted for the Whig Candidate is we suspect, equally untrue.—This same paper endeavored to create the impression some time since that the Whigs instigated the insurrection in Louisiana.

### WANTED IMMEDIATELY.

One hundred and ninety-two candidates to run on the Whig Ticket, to fill the vacancy occasioned by the expected resignation of the Four Locofoco Representatives from this county.—claims upon the whig party will not be examined—so an aspirant has the name of whig it is all that will be necessary to insure the honors. Some we know who changed on the second day of the election, some a month and so on, but that is all a mere circumstance—so dont for the sake of the high stand which the

trally conceive, that a people thus preserved without advance or retrogression; without a nation, yet united as no nation ever was before or since—has not been appointed to test for this extraordinary contradiction to the common laws of society, and even the common progress of nature, without a cause, and that cause one of divine grandeur.
