MR. EDITOR:—Reports inform me that many persons are of the belief that my connection with the HOLLY SPRINGS FEMALE INSTITUTE extends only to its supervision. To correct this erroneous impression, I beg leave to state, through your columns, that I am occupied daily in giving instruction in the sciences to the pupils of the Senior Department. I am, however, convinced that the Institute might, without the least detriment to the pupils, be confided to the exclusive management and direction of my able, efficient, and experienced associates.

The public are requested to call at the School and witness facts, which speak for themselves.

MEDICAL NOTICE.

THE Partnership existing for the last two years between Doctors REED & CARUTHERS, in the practice of Medicine, is dissolved this day by mutual consent.

DR. REED has removed to the country, and located himself upon Cold-Water, 10 miles north-west of Holly Springs, where he will be pleased to receive the calls of his friends in the line of his profession.

DR. CARUTHERS remains in Holly Springs, and may be found at his residence, or at the former office of Messrs Reed & Caruthers, except when absent on professional business; and hopes to receive the patronage of the late firm.

As they have been very indulgent to their patrons, and a dissolution having taken place, it becomes necessary that their business should be closed. Those who cannot pay them in money, which they are in great need of, will at least close their accounts by note. Either of the former partners is authorised to settle the accounts of the firm.

W. S. REED.
S. O. CARUTHERS.
