sands have met a premature death for the want of
a little attention to a common cold. Have you a cough?
Dr. Hull's Cough Lozenges, a safe medical prescription,
containing no poisonous drugs, and used in an extensive

Young ladies are now received at the Institute as board-
ers. In addition to the applications already made sev-
eral more can be received. The Principal would especial-
ly recommend to parents who have to board out their
daughters at school, to place them in the Institute. They
will then be in the same building in which they recite all
their lessons, and under the immediate care of the Matron
of the Institute.

The Principal, or one of his assistant teachers, will

HOLLY SPRINGS
FEMALE INSTITUTE.

THIS Institution will be opened as previously
contemplated, on the first Monday in Janu-
ary next, in the building directly opposite the resi-
dence of H. M. LUSHER, Esq. The faculty of
Teachers, in all the departments, is not yet fully
organized; but so far as completed, consists of
Rev. C. A. FOSTER, Rector and Principal.
Rev. A. P. MERRILL, Associate Principal.
Mrs. A. P. MERRILL, Preceptress.
Mrs. Y. T. NEWSUM, Teacher of Music.
The faculty of Teachers will be strengthened as
the wants of the school demand.

Efforts are now making to procure the services
of a lady of distinguished talents and attainments,
from Virginia, who will assist the present faculty
in the higher departments.

The Preceptress, in addition to the duties of in-
struction, will exercise a vigilant watch-care over
the manners, morals and general deportment of
the young ladies committed to her charge.

No pains will be spared on the part of the fac-
ulty to contribute in forming the character of the
pupils, after the most approved models of excel-
lence as developed by refined society and christian
morality.

A strict and uncompromising discipline shall be
maintained, without which all efforts to teach
must prove vain and useless. Although firm and
inflexible, it shall be tempered with kindness and
affection, and therefore no young ladies will be
received as members of this Institute, whose pa-
rents or guardians will not yield to this highly ne-
cessary and salutary regulation.

The year will be divided into two sessions o
five months each.

TUITION.—One half payable in advance, and
the balance at the end of the session; or, if parents
desire it, the first session in advance and the bal-
ance at the end of the year.

No pupil received for less than a session. No
deduction for absence, except in cases of protract-
ed sickness. Pupils entered any time previous to
the middle of the session, will be charged the same
as if entered at the beginning.
