**DR. CARUTHERS** remains in Holly Springs, and may be found at his residence, or at the former office of Messrs Reed & Caruthers, except when absent on professional business; and hopes to receive the patronage of the late firm.

As they have been very indulgent to their patrons, and a dissolution having taken place, it becomes necessary that their business should be closed. Those who cannot pay them in money, which they are in great need of, will at least close their accounts by note. Either of the former partners is authorized to settle the accounts of the firm.
